

# Learn Dynamic Communication Skills

**JOHN JAMES  
SANTANGELO**

SPEAKER • AUTHOR • TRAINER

Learn how you can easily and effectively read what people desire and how to put yourself in a positive resourceful state. Find out how to quickly disarm resistance, bypass criticism, and how to handle upset individuals.

As we move into the new millennium, the face of business and personal communications is changing at an increasingly rapid rate.

Did you know the words we speak only comprise of 7% of our communication! In this course, we teach you powerful physical and verbal skills, allowing you to change how others perceive your intent. Whether you are looking to gain the upper hand in negotiations or are just looking to improve your confidence in talking with anyone at anytime, this course will allow you to communicate more effectively.

## Results you'll receive...

- Master powerful communication skills to develop lasting business and personal relationships.
- Eliminate fears and find out what truly holds you back in life.
- Develop a mindset that attracts and allows abundance to flow to you at all times.
- Develop instant Rapport with anyone at anytime!
- Learn to ask the 'one' important question to get to the core of someone's intention!

---

*"John, in my career I've had the opportunity to hire hundreds of professional trainers and seminar leaders and I can say unequivocally that you rank with the best of the best!"*

- Alan Randal - Director,  
Marketing & Sales, WellPoint

*"They loved you; You managed to capture the attention of the entire room (of AGENTS), leaving motivated and most importantly; they learned how to motivate their clients to buy."*

- Susan Gelt - Manager,  
RE/MAX realtors, Valencia

*"John's enthusiasm and energy made the difference between an ordinary and exceptional fundraising event."*

- Arlene Praw  
Executive Secretary, Teamsters Union

*"Your specialized training reflects a great credit upon your organizational training for military applications which significantly contributed to the overall high state of readiness of the US Army." (post 9/11)*

- Chief Alan Gruel  
US-Army Special Operation Command
